On March 3, 2023, Mr. Abrahamson reported to the United States Probation Office. He submitted to a urinalysis that tested presumptive positive for methamphetamine. Mr. Abrahamson denied use since February 15, 2023, which is noted in alleged violation number 11 in the petition submitted to the Court on February 21, 2023. The sample was sent to the lab for additional testing.

A lab report was received and confirmed a positive presence for methamphetamine. This positive result is not consistent with a last date of use of February 15, 2023.
